3 Connecting with Hostile Contacts

Many who contact us are hurting...

It's ridiculous you
would believe this!
What a load of
#\$\$^@!

You #\$\$&@% talk
about peace and love
but are so hateful!

But this is not always what
they share with us.

How do we
reach and
respond to
these
Contacts?

Sometimes you may need to discontinue a conversation...

**They use
profanity and/or
blasphemy**

Reassign them to "Abusive"
Reassign them to your leader

**They indicate a
special need for
which you aren't
well-equipped**

Reassign them to a specialty
category

**They directly ask
you to stop
writing to them**

Communicate understanding
and cease communication

Even our
most difficult
Contacts

Need Jesus

WILL YOU HELP THEM?
